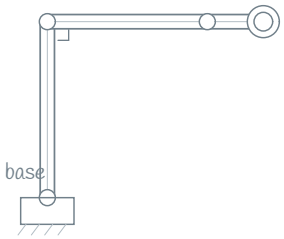
SKY OBSERVATIONS

Date _____ Time _____

Location _____

I've been practising a few moves with my little Canadarm. Some were easier to draw than explain!

Before I began

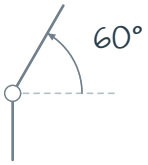


I started like this and noted the number inside the hand.

→ ☐

Test 1

elbow



Then I compensated at the wrist by the same amount, in the opposite direction.

After both moves, the hand showed: ☐

Bob

Print at 100% / Actual size. Cut at the crop marks.

4 x 6 inches / layout mockup / start + first test only
